CHARITY/ Floralia per Santo Spirito October 9-10

All kinds of everything

The 6th edition of the charity market exhibition brings together plants, flowers, crafts and cultural activities to help the Amici di Santo Spirito raise funds for security services inside the church. A group of florists and horticulturists will add colour to the event, with other exhibitors presenting their handicrafts, jewellery, clothing, watercolours, prints, terracotta, bags, designs and more. Guided tours of the Basilica and Michelangelo's wooden crucifix entice culture vultures, as well as workshops on topics like engraving, flower sushi, watercolours, wicker baskets, and handmade flower perfumes by the Istituto dei Bardi and the Le Arti Orafe Jewellery School, taking place at via dei Michelozzi 2. For info see the @Floralia2021 and @IstitutodeiBardi Facebook pages, or write to floralipersantospirito@gmail.com.
